ELEMENTARY SCHOOLS MAINTAINED BY THE R. B. A N. M'S CHARITIES.

****

The following Elementary Schools are maintained by the R. B. A. N. M's Charities:-

1. Tirukulathar School, Ulsoor.
2. - do - Cantonment.
3. Govindammal Girls' School, Ulsoor.

Nos. 1 and 2 supra are boys' schools and No. 3 is a girls' school.

STRENGTH OF THE SCHOOLS:-

The Nos. of pupils on the folls for 1932-33, 1931-32 and 193 -31 are given in the statement annexed hereto. The schools are open to all classes of the pupolati n and are popular in the localities where they are situated.. No school fees are charged in the sch ols

ACCOMMODATION:-

Class-room accommodation and open spaces for play-ground are not adequately provided for schools Nos. 1 and 3. The management is, it is understood, arranging to provide a new building for one of the above schools and to extend the other.

EQUIPMENT:-

Sufficient and suitable teaching appliances, wall maps, charts, &c., are available. All the schools are provided with necessary reference books for teachers. Approved text-books are in use in all the schools.

ADEQUACY AND SUITABILITY OF STAFF:-

All the schools are staffed by duly qualified trained teachers and the No. of pupils entrusted to the charge of each teacher is not too many for individual attention.

EFFICIENCY OF INSTRUCTION:-

Instruction is imparted in all the subjects of the Elementary School curriculum from Standards 1 to Standard 5 in all the 3 Schools. History, Geography, Natural Study and Hygeine are taught n all the schools besides the 3 R's. In the Government Girls' School Indian Music(Instrumental & Vocal) is taught as also Domestic Economy and Practical Cooking. The progress of pupils in the Schools is generally satisfactory and a high standard of efficiency of teaching is maintained.

is maintained.

GENERAL:-

The supervision and management of the schools are satisfactory and the suggestions made by the Inspecting Officers are promptly carried out. The schools are deservedly popular. Adequate class room accomodation and a sufficiency of playground space are the outstanding requirements of the schools which it is hoped the management would provide, at an early date.

2 The following institutions are maintained from the Educational Charities founded by Rai Bahadur Arcot Narrainsawmy Mudaliayar -

(1) A High School.

(2) An Industrial School.

(3) Three Primary Schools two for Adi-Dravida boys

(a) one in the Bazaar area, and

(b) one in Ulsoor, and

a Primary School for Girls in Ulsoor.

(4) A Hostel attached to the High School.

(3) <u>High School.</u>

Enc: to S.N.86/ File 377-1890. J

The High School was founded in 1873 and was at first located in a building in Commercial Street. Later on, in 1894, it was shifted to the present building. It has a primary section, a middle school section as well as all the three forms in the High School Section. Candidates are prepared for the Secondary School Leaving Certificate Examination. The staff consists of 25 teachers. The strength of the school in 1932-33 was 525 against 529 in 1931-32. Fifty five pupils in 1931-32 and the same number in 1932-33 were presented for the Secondary School Leaving Certificate Examination of whom 19 and 18 respectively were declared eligible for the College Course. From the income derived from the Endowment made by the Founder the

school

T
1

school receives a recurring contribution of Rs.2,400/- per annum. The expenditure of the school for 1932-33 amounted

T

to Rs.23,826/- of which Rs.9,278/- was contributed by Government. The balance was met from fee income & from Contributions by the management.

Page 17of S.N.1 File 717/31.
M

In his report on the inspection of the school for 1932-33, Mr. Muhammad Sultan Mohiyuddin, the then Acting Inspector of Schools stated, in November 1932, that, though the percentage of passes at the S.S.L.C. Examination could not be regarded as quite satisfactory, the High School Section work had improved since the previous year. He also stated that on the whole the teachers were earnest, that the material conditions of teaching was satisfactory and that the Headmaster's supervision was vigilant and effective.

Industrial School.

for

for 1933-34. It is understood that the Education Department does not inspect the school.

(6) Primary Schools.

R There are three primary schools of which two are intended for Adi Dravida Boys. The third is a girls' school. The schools are open to all classes of the people and are said to be popular. Education is free in these schools.

R/1 The strength of the two boys' schools was 516 in 1932-33 and that of the girls' school 330. Tamil, Telugu and Kanarese are taught in these schools. Music, Practical Cooking and Domestic Economy are taught in the Girls'

R School. The Deputy Inspector of Schools states that the progress of the pupils in the schools is generally satisfactory and that a high standard of efficiency in teaching is maintained. He also states that the supervision and management of the schools are satisfactory. The

R/1 expenditure of these schools is met partly from Government grants and partly from funds provided by the management.

(7) Hostel.

Page 2 of [illegible] slip J Owing to the difficulty experienced by mofussil students in finding suitable accommodation outside the school premises the Founder of the Educational Charities
